Report on Compliance with Corporate Governance Code Principles and Recommendations

Item	Corporate governance principle(s) or key criteria (recommendation)	Summary of non-compliance with key criteria or principle	Key reasons, factors and circumstances that lead to non-compliance or partial compliance, description of corporate governance alternative mechanisms and tools
1	2	3	4

I. Rights and equitable treatment of shareholders in exercising their rights

1.1.	The Company shall ensure fair and equitable treatment of all shareholders in exercising their corporate governance rights. The system and practice of corporate governance shall provide fair treatment for all shareholders - owners of shares of one category (type), including minority shareholders and international shareholders, and their equal treatment by the Company.		
1.1.1.	<p>The Company shall have an approved internal document providing basic procedures for the preparation, convocation, and holding of the General Meeting of Shareholders in compliance with Corporate Governance Code Recommendations, including the obligation of the Company to:</p> <ul style="list-style-type: none"> inform shareholders of an upcoming General Meeting of Shareholders and ensure their access to the materials and, inter alia, place a notice and materials on the official website of the Company at least 30 days before the date of the General Meeting of Shareholders (unless a greater term is provided under the law of the Russian Federation); disclose information on the record date for the General Meeting of Shareholders at least seven days before such date; provide the General Meeting of Shareholders with additional information and materials concerning the items on the agenda of the General Meeting of Shareholders as recommended by the Corporate Governance Code. 	Partly in effect	<p>Basic procedures for the preparation, convocation, and holding of the General Meeting of Shareholders are set out in the Charter of the Company and Regulations on the General Meeting of Shareholders of the Company (approved by the resolution of the extraordinary General Meeting of Shareholders of OJSC MegaFon, Minutes dated 13 September 2013).</p> <p>When preparing for the General Meeting of Shareholders, the Company adheres to the principle of necessity to inform shareholders of an upcoming General Meeting of Shareholders and ensure their access to materials of the General Meeting of Shareholders at least 30 days before the expected date of the respective General Meeting of Shareholders. However, in actual practice the Company faces the necessity for critically urgent resolutions to be adopted by the General Meeting of Shareholders with respect to the matters of its current business operations. These cases force the Company to notify its shareholders of an upcoming General Meeting of Shareholders within 20 days of the date of the respective General Meeting of Shareholders.</p> <p>The Company provides additional information and materials concerning the items on the agenda of the General Meeting of Shareholders upon the request of shareholders as recommended by the Corporate Governance Code. Furthermore, additional information is published on the official website of the Company in the special section for shareholders and investors.</p> <p>The Regulations on the General Meeting of Shareholders of the Company provide an obligation for the Company to authorise its shareholders to make motions with respect to the items on the agenda of the General Meeting of Shareholders within 60 days after the end of the calendar year, as well as to properly state the reasons should a motion for placing items on the agenda of the General Meeting of Shareholders be denied.</p>

Item	Corporate governance principle(s) or key criteria (recommendation)	Summary of non-compliance with key criteria or principle	Key reasons, factors and circumstances that lead to non-compliance or partial compliance, description of corporate governance alternative mechanisms and tools
1.1.2.	The Company shall assume obligations to enable shareholders to address questions about business operations of the Company to members of the management and supervisory bodies, members of the Audit Committee, Chief Accounting Officer, Auditor of the Company as well as persons nominated for the positions in the management and supervisory bodies, when preparing for, and holding, the General Meeting of Shareholders. The above obligations shall be provided in the Charter or internal documents of the Company.	Applied in practice	<p>The Company has assumed obligations to enable shareholders to address questions concerning the items on the agenda of the General Meeting of Shareholders, as well as business operations of the Company, when preparing for, and holding, the General Meeting of Shareholders, and stated the same in the Regulations on the General Meeting of Shareholders of the Company.</p> <p>All questions addressed by shareholders to members of the management and supervisory body, members of the Audit Committee, Chief Accounting Officer, Auditor of the Company, as well as questions addressed to nominees for the positions in the management and supervisory bodies, are considered in due time and followed by complete and exhaustive responses.</p> <p>Where the General Meeting of Shareholders is held in the form of compresence, its time-limit provides additional time for shareholders to ask their questions. In that case, the General Meeting of Shareholders is attended by top management officers of the Company.</p>
1.1.3.	The Company shall assume obligations to adhere to the principle of inadmissibility of actions causing reallocation of corporate control (e.g., vote using quasi-treasury stock, adopt resolutions for the payment of dividends on preferred stock under the conditions of limited financial resources, adopt resolutions to pay no dividends on preferred stock as per the Charter while having sufficient resources for their payment). The above obligations shall be provided in the Charter or internal documents of the Company.	Applied in practice	<p>The subsidiary of the Company, holding a stock of shares of the Company (MegaFon Investments (Cyprus) Limited), does not vote on the matters of approving transactions to be settled by the Company should the majority shareholder be interested in the same.</p> <p>When voting at the General Meeting of Shareholders on the election of members of the Board of Directors, votes of MegaFon Investments (Cyprus) Limited are only cast in support of independent members of the Board of Directors.</p>

1.2.	Shareholders shall have equal and fair rights to share profits of the Company by receiving dividends.		
1.2.1.	The Company shall have an approved internal document determining a dividend policy of the Company in compliance with the Corporate Governance Code Recommendations and establishing: <ul style="list-style-type: none"> • procedure for defining a share of net profit (for issuers that prepare consolidated financial statements); • minimum share of the Company's net profit to be used for dividend payment, and conditions of their declaration; • minimum dividends on shares of the Company of different categories (classes); • obligation to publish a document determining its dividend policy, on the website of the Company. 	In effect	The Company has its Dividend Policy approved (Minutes of the Board of Directors 173(237) dated 8 June 2012) in compliance the requirements of the Corporate Governance Code.
1.2.2.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

II. Board of Directors of the Company

2.1.	The Board of Directors of the Company shall determine the key strategic business objectives for a long-term perspective, as well as key performance indicators of the Company, perform strategic management of the Company, determine principles and approaches for the organisation of risk management and internal control in the Company, establish the remuneration policy for the Company's Board of Directors and executive bodies and perform other key functions.		
2.1.1.	The Company shall have a Board of Directors: <ul style="list-style-type: none"> • determining the key strategic business objectives for a long-term perspective, as well as key performance indicators, of the Company; • controlling activities of the executive bodies of the Company; • determining principles and approaches for the organisation of risk management and internal control in the Company; • determining the policy of the Company in terms of remuneration payable to members of the Board of Directors, executive bodies and other key executives of the Company. 	In effect	The Company has its Board of Directors formed in accordance with the Charter and Regulations on the Board of Directors (approved by resolution of the extraordinary General Meeting of Shareholders of OJSC MegaFon, Minutes dated 10 January 2013), acting to the extent of its competence and: <ul style="list-style-type: none"> • determining the key strategic business objectives for a long-term perspective, as well as key performance indicators, of the Company; • controlling activities of the executive bodies of the Company, • determining principles and approaches for the organisation of risk management and internal control in the Company, • determining the policy of the Company in terms of remuneration payable to members of the Board of Directors and executive bodies.
2.1.2.	Other key criteria (recommendations) of the Corporate Governance Code related to mentioned corporate governance principle(s) according to the management of the Company.		None

Statutory disclosure materials

Report on Compliance with Corporate Governance Code Principles and Recommendations continued

Item	Corporate governance principle(s) or key criteria (recommendation)	Summary of non-compliance with key criteria or principle	Key reasons, factors and circumstances that lead to non-compliance or partial compliance, description of corporate governance alternative mechanisms and tools
2.2.	The Board of Directors of the Company shall be an efficient and professional management body of the Company capable of making objective, independent conclusions and taking decisions that comply with the interests of shareholders and the Company. The Chairman of the Board of Directors shall facilitate the best performance of assigned duties by the Board of Directors. Meetings of the Board of Directors, preparation for such meetings and participation of the members of the Board of Directors shall ensure efficient performance of the Board of Directors.		
2.2.1.	The Board of Directors shall be chaired by an independent director, or a senior independent Director shall be chosen from among the elected independent Directors to coordinate the activities of independent Directors and enable the interaction with the Chairman of the Board of Directors.	Not in effect	The Board of Directors is chaired by Soldatenkov S.V. (Chief Executive Officer of the Company from 2003 to 2012). The Company is of the opinion that Mr Soldatenkov's vast experience of work in telecommunications industry, his outstanding management skills, and intimate knowledge of all details and nuances of the Company's business from the time of its formation ensure the efficient operation of the Board of Directors and achievement of balance between the rights and interests of shareholders with due regard for the needs of business.
2.2.2.	Internal regulations of the Company shall provide a procedure for the preparation and holding of the Board meetings, enabling members of the Board of Directors to prepare for such meetings in a proper manner and providing the following: <ul style="list-style-type: none"> • deadlines for giving notices of an upcoming meeting to members of the Board of Directors; • deadlines for sending documents (voting ballots) and receiving completed documents (voting ballots) should a meeting be held in absentia; • option for providing and consideration of a written opinion of members of the Board of Directors failed to attend a meeting held in person; • option for discussion and voting via teleconferencing and videoconferencing. 	In effect	The Regulations on the Board of Directors of the Company (approved by resolution of the extraordinary General Meeting of Shareholders of OJSC MegaFon, Minutes dated January 10, 2013) provide a procedure for the preparation and holding of meetings of the Board of Directors, enabling members of the Board of Directors to prepare for such meetings in a proper manner, and make balanced decisions with respect to each of the items on the agenda of a meeting of the Board of Directors.
2.2.3.	The most important matters shall be dealt with at meetings of the Board of Directors held in person. The list of such matters is in compliance with the recommendations of the Corporate Governance Code. ¹	Partly in effect	The Board of Directors approves a schedule of meetings, including, inter alia, those to be held in person. Meetings of the Board of Directors held in person deal with the most important business matters of the Company, including approval of the key areas of the Company's business, as well as its Budget, Business Plan, and development strategy, consideration of the Company's performance results and financial statements, examination of major transactions of the Company, approval of top management bonus plans, and other such issues.
2.2.4.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

¹ Provided in Clause 168 part B of the Corporate Governance Code

Report on Compliance with Corporate Governance Code Principles and Recommendations continued

Item	Corporate governance principle(s) or key criteria (recommendation)	Summary of non-compliance with key criteria or principle	Key reasons, factors and circumstances that lead to non-compliance or partial compliance, description of corporate governance alternative mechanisms and tools
2.3.	The Board of Directors of the Company shall include a sufficient number of independent Directors.		
2.3.1.	At least one-third of the total elected number of members of the Board of Directors shall be constituted by independent Directors.	Not in effect	As of 31 December 2014, the Board of Directors has two independent Directors (Lord Paul Myners and Jan Rudberg). The Company is of the opinion that the existing Board of Directors and its structure adequately ensure the balance of interests of shareholders, and guarantee both the impartiality and objectiveness of the decision-making process.
2.3.2.	Independent Directors shall fully comply with the independence criteria in the Corporate Governance Code.	In effect	According to the information provided by Jan Rudberg and Paul Myners, the Company assumes that independent Directors fully comply with the independence criteria in the Corporate Governance Code.
2.3.3.	The Board of Directors (Nomination Committee) shall evaluate whether the persons nominated for the Board of Directors meet the criteria of independence or not.	In effect	Once elected by the General Meeting of Shareholders of the Company, members of the Board of Directors are subject to a procedure for the remote evaluation of their compliance with the criteria of independence established by the Corporate Governance Codes of the Russian Federation and Great Britain. The final stage of the evaluation procedure consists of the examination of nominated independent Directors by the Board of Directors and adoption of a resolution approving the nominees as independent Directors of the Company.
2.3.4.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

2.5.	The Board of Directors shall ensure evaluation of the quality of work of the Board of Directors, its Committees and members of the Board of Directors.		
2.5.1.	Evaluation of the quality of work of the Board of Directors shall be carried out on a regular basis at least once a year. However, such evaluation shall be carried out with the participation of a third-party organisation (advisor) at least once every three years.	Not in effect	The quality of work of the Board of Directors was not evaluated in 2014. Due to a succession of changes in the Board of Directors in 2014, it was decided to evaluate the quality of work of the Board of Directors, its Committees and members of the Board of Directors in 2015.
2.5.2.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

III. Corporate Secretary of the Company

3.1.	The Corporate Secretary, or (business unit led by the Corporate Secretary) shall ensure efficient relations with shareholders, protection of rights and legal interests of shareholders, efficient performance of the Board of Directors.		
3.1.1.	The Corporate Secretary shall report to the Board of Directors, and shall be appointed or dismissed by resolution of the Board of Directors.	In effect	As provided by the Regulations on the Corporate Secretary of the Company approved by resolution of the Board of Directors, Minutes No 65 (129) dated 5 April 2007 and Corporate Governance Code Recommendations, the Corporate Secretary is accountable to the Board of Directors, and may be appointed or dismissed by resolution of the Board of Directors.
3.1.2.	The Company shall approve an internal document defining the rights and competencies of the Corporate Secretary (Regulations on the Corporate Secretary) in compliance with the Corporate Governance Code Recommendations. ⁵	Partly in effect	Functions and competence of the Corporate Secretary are set out in the Regulations on the Corporate Secretary of the Company (approved by resolution of the Board of Directors, Minutes No 65 (129) dated 5 April 2007).
3.1.3.	The Corporate Secretary shall not hold a position, which is in conflict with other duties discharged by him/her at the Company. The Corporate Secretary shall discharge his/her functions as provided by the Corporate Governance Code Recommendations. ⁶ The Corporate Secretary shall have adequate resources for the performance of his/her duties.	Partly in effect	The Corporate Secretary at the same time acts as an Inspector of the Company (to the extent provided by Federal Law No 224-FZ 'On Countering the Illegal Use of Insider Information and Market Manipulation and on Amendments to Certain Legislative Acts of the Russian Federation' dated 27 July 2010). The overlapping of these positions is approved by the Board of Directors of the Company.
3.1.4.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).

IV. Remuneration of members of the Board of Directors, executive bodies and other key executive officers of the Company			
4.1.	Remuneration payable by the Company shall be sufficient to attract, motivate, retain people with competencies and qualifications required by the Company. Remuneration payable to the members of the Board of Directors, executive bodies and other key executive officers of the Company shall be in compliance with the approved Remuneration policy of the Company.		
4.1.1.	The Company shall regulate all payments and fringe benefits of members of the Board of Directors, executive bodies and other key executive officers of the Company.	In effect	The Company has specified all payments, privileges and benefits granted to members of the Board of Directors, executive bodies and other key executive officers of the Company in accordance with the Corporate Governance Code, Charter of the Company, Regulations on the Management Board, and other such internal documents of the Company.
4.1.2.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None
4.2.	Remuneration system of members of the Board of Directors shall ensure alignment of financial interests of the Directors with long term financial interests of the shareholders.		
4.2.1.	The Company shall not apply any forms of financial remuneration to members of the Board of Directors, other than a fixed annual remuneration.	In effect	A fixed annual remuneration payable to members of the Board of Directors of the Company is determined by resolution of the General Meeting of Shareholders of the Company.
4.2.2.	The Company shall neither authorise members of the Board of Directors to participate in stock option plans, nor subject their rights to sell their respective shares of the Company to the achievement of certain performance indicators.	In effect	Members of the Board of Directors are not authorised to participate in stock option plans, and their rights to sell their respective shares of the Company are not subject to the achievement of certain performance indicators.
4.2.3.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None
4.3.	The Company shall consider its performance and the personal contribution of each officer to the achievement of such performance, when determining the amount of a fee payable to members of the executive bodies and other key executive officers of the Company.		
4.3.1.	The Company shall introduce a program of long-term motivation of members of the executive bodies and other key executive officers of the Company.	In effect	The Company has introduced a program of long-term motivation of members of the executive bodies and other key executive officers of the Company.
4.3.2.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

Statutory disclosure materials

Item	Corporate governance principle(s) or key criteria (recommendation)	Summary of non-compliance with key criteria or principle	Key reasons, factors and circumstances that lead to non-compliance or partial compliance, description of corporate governance alternative mechanisms and tools
V. Risk management and internal control system			
5.1.	The Company shall have established an effective risk management and internal control system providing reasonable assurance in the achievement of the Company's objectives.		
5.1.1.	The Board of Directors shall determine the principles and approaches for the organisation of a risk management and internal control system at the Company.	Partly in effect	The Audit Committee of the Board of Directors and the Board of Directors regularly receive reports about risk management system and system for internal control of the accuracy of financial statements at the Company. The Audit Committee approves plans for the development of the risk management system.
5.1.2.	The Company shall have a separate unit for risk management and internal control.	Partly in effect	The Company has the Risk Management unit. A separate Internal Control unit has been only formed with respect to control of accuracy of financial statements.
5.1.3.	The Company shall have an anti-corruption policy developed and implemented providing measures for the formation of elements of corporate culture, organisational structure, and rules and procedures aimed at the prevention of corruption.	In effect	The Company applies the Anti-bribery Policy (approved by resolution of the Board of Directors No 185(249) dated 6 December 2012) which meets the requirements of the Corporate Governance Code. The Gifts and Hospitality Policy (approved by Order No 5-CEO-P08-43/13 of the Chief Executive Officer, dated 23 August 2013) was adopted within the scope of the aforesaid Policy.
5.1.4.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None
5.2.	The Company shall perform internal audit for the systematic independent assessment of the reliability and effectiveness of the risk management and internal control systems and corporate governance.		
5.2.1.	The Company shall have a separate unit, exercising duties of internal audit, functionally subordinated to the Board of Directors. The functions of this unit shall comply with Corporate Governance Code Recommendations, and these functions shall be as follows: <ul style="list-style-type: none"> • evaluate the efficiency of the internal control system; • evaluate the efficiency of the risk management system; • evaluate the corporate governance (if there is no corporate governance committee). 	In effect	As provided by the Regulations on the Internal Audit of the Company (approved by resolution of the Board of Directors No 180 (244) dated 19 September 2012), the Company has formed a special unit – Internal Audit, chaired by the Internal Audit Director. The Internal Audit Director reports to the Chief Executive Officer of the Company. This subordination is considered solely as administrative and does not influence the independence and objectiveness of internal auditors in the course of their activities. The Internal Audit is functionally managed by the Audit Committee of the Board of Directors. The Internal Audit functions are set out in the Regulations, which regulates its activities.
5.2.2.	The Internal Audit Director shall functionally report to the Board of Directors of the Company.	In effect	The Internal Audit Director reports to the Chief Executive Officer of the Company. This subordination is considered solely as administrative and does not influence the independence and objectiveness of internal auditors in the course of their activities. The Internal Audit is functionally managed by the Audit Committee of the Board of Directors.

5.2.3.	The Company shall approve internal audit policy (Regulations on internal audit) defining the objectives, purposes and functions of internal audit.	In effect	The Board of Directors has approved the Regulation 'On Internal Audit' (approved by resolution of the Board of Directors No 180 (244) dated 19 September 2012).
5.2.4.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

VI. Disclosure of information about the Company, information policy of the Company

6.1.	The Company and its business shall be transparent for shareholders, investors and other related parties.		
6.1.1.	The Company shall have the internal document defining the information policy in compliance with the Corporate Governance Code recommendations. The information policy of the Company shall include the following investor and related parties relation procedures: <ul style="list-style-type: none"> special website of the Company containing the most frequently asked questions by shareholders and investors, regularly updated calendar of the Company's corporate events and other useful information for shareholders and investors; regular meetings of members of the executive bodies and other key executive officers with analysts; regular presentations (including those in the form of teleconferences, webcasts) and meetings with the participation of members of the executive bodies and other key executive officers of the Company, including those supporting the publication of financial reports of the Company, or those related to key investment projects and strategic development plans of the Company. 	Applied in practice	The Company actively uses the methods of interaction with investors and other interested parties, provided for by the Corporate Governance Code. According to the Company, the formalisation of investor and related parties relation procedures is not required.
6.1.2.	The information policy of the Company shall be implemented by the executive bodies of the Company. The Board of Directors shall ensure proper disclosure of information and compliance with the information policy.	In effect	The Board of Directors, supervising proper disclosure of information with respect to the most essential business operation of the Company, each quarter considers a report of the management officers of the Company concerning financial and economic performance of the Company, as well as the most essential corporate events, before it is officially published and distributed via mass media. The Annual Report of the Company is examined by the Audit Committee and Board of Directors of the Company before it is officially published. The Annual Report of the Company is subject to pre-approval of the Board of Directors of the Company.
6.1.3.	The Company shall have established procedures providing coordination of all functions and departments of the Company related to information disclosure.	In effect	The Company adheres to the Regulations for Disclosure of Information ⁷ and Annual Report Preparation Regulation, both approved by the Order of the Chief Executive Officer, enabling the coordination of all units with respect to disclosure of information.
6.1.4.	Other key criteria (recommendations) of the Corporate Governance Code related to this corporate governance principle(s).		None

⁷ The Regulations for Disclosure of Information was approved by the Order of the CEO on 26 March 2015

6.2.	The Company shall make timely disclosures of complete, updated and reliable information to allow shareholders and investors to make informed decisions.		
6.2.1.	Where foreign participation in the capital of the Company is substantial, the Company shall ensure that information is disclosed in Russian, and the most essential information of the Company (including notices of an upcoming meeting of shareholders, Annual Report of the Company) is published in a foreign language generally accepted in financial markets.	In effect	As provided by the Regulations for Disclosure of Information, approved by the Order of the Chief Executive Officer, the most essential information of the Company is disclosed in English at the same time as its disclosure in Russian.
6.2.2.	The Company shall disclose not only the information about itself, but also information on its material subsidiaries and affiliates.	In effect	The Company discloses information on its material subsidiaries and affiliates.
6.2.3.	The Company shall disclose annual and interim (six months) consolidated or individual financial statements in accordance with the International Accounting Standards. Annual consolidated or individual financial statements shall be disclosed together with an auditor's opinion, while interim (six months) consolidated or individual financial statements must be disclosed together with a report of general audit results, or auditor's opinion.	In effect	The Company discloses its annual and interim financial statements drawn up in accordance with International Accounting Standards, on a quarterly basis. As provided by the International Accounting Standards, annual statements are disclosed accompanied by an auditor's opinion, and interim statements, with a report on general audit results.
6.2.4.	The Company shall disclose a special memorandum containing plans of the controlling entity of the Company. This memorandum shall be executed in compliance with the Company's Corporate Governance Code recommendations. ⁸	Not in effect	Plans of the entity controlling the Company are disclosed by the entity via mass media.
6.2.5.	The Company shall disclose detailed biographical information of members of the Board of Directors, including their independence status as well promptly disclosing information should a member of the Board of Directors lose his/her status as an independent director.	In effect	The Company annually discloses biographical information of members of the Board of Directors in its annual and quarterly reports.
6.2.6.	The Company shall disclose information on its capital structure as recommended by the Corporate Governance Code.	In effect	The Company discloses information on its capital structure as recommended by the Corporate Governance Code on the official website of the Company.
